

2022-23 Kinder Institute Residential College *Early Admission Scholarship Application*

In addition to completing the questionnaire embedded in the Scholarship Universe application portal, students applying for a KIRC scholarship must upload a single PDF document (other formats cannot be uploaded through Scholarship Universe) with the following two components:

I. *Academic CV*: Provide a record of your high school accomplishments, making sure, at a minimum, to include GPA; ACT and/or SAT scores; AP, IB, and/or dual-credit classes completed or currently enrolled in (with scores where available); awards received; clubs participated in; and work and/or volunteer experience.

II. *Essay Questions*: Please respond to **both** of the following two questions in 300-500 words **each**

- What does civic education mean to you and what are the obstacles that you think it faces in the 21st century?
- Of the Constitutional Democracy BA's four concentration areas—U.S. and the World, Politics and Policy, Law and Institutions, and Social and Political Thought—which would you choose and why?

Remember that you can apply for, and you might be eligible for, more than one of the three of the scholarships associated with the KIRC. The application process is the same for each, though you must apply for each separately and are only eligible to receive one.
