

Kinder Institute on Constitutional Democracy

University of Missouri

Kinder Institute Alumni Council Membership Application

Deadline: September 1, 2023

The Alumni Council was established in 2019 and is comprised of former students who participated in one (or more) of the Kinder Institute's programs for undergraduate or graduate students: the Society of Fellows or Kinder Scholars D.C. Summer Program; our B.A., Minor, or Certificate in Constitutional Democracy in the College of Arts & Science; the Kinder Institute Democracy Lab for first-year Mizzou students (formerly the Kinder Institute Residential College); our study abroad programs in South Africa and Oxford; or our graduate M.A. in Atlantic History & Politics.

The Council meets two times per year to brainstorm and implement ways that alumni can stay connected to the Kinder Institute and enrich the experience of its current students, both while they're on Mizzou's campus and after they've graduated. We value the feedback of our alumni to enhance the quality of our programming.

Members of the Alumni Council serve for two-year terms. There are currently 9 members of the Council, with two open spots, for a total of 11 members. To submit your application for membership, please answer the following questions and return this application and a **resume** to Caroline Spalding (cspalding@missouri.edu) by Friday, September 1.

1. Which Kinder program(s) have you participated in?
2. When did you graduate?
3. Why do you want to join the Alumni Council (2-6 sentences)?
